

CPRA Canadian Playground Certified Inspectors Directory

Updated: January 2019

Note:

Companies listed on this directory have paid an administration fee to be on this list. Listed organizations employ one or more individual(s) who have successfully achieved their CPSI certification as a CPRA Canadian Certified Playground Inspector. This information is provided to you for your use to find a certified playground inspector. The list is not a full listing of Canadian Certified Playground Inspectors. The Canadian Playground Safety Institute and the Canadian Parks and Recreation Association and the Associated Provincial and Territorial partners do not recommend or endorse any particular company and suggests that you check references and ensure the company you contract to inspect your playground carries appropriate liability insurance.
