

Playground Inspection Labels

Order Form

Enhance the clarity of your playspace labelling program by adapting these CPSI labels.

Age appropriate labelling and date of manufacture labelling are requirements of compliance to the CSA Z614-14 "Children's Playspace and Equipment" standard.

Risk and supervision signage are vital risk management tools that can help reduce your playspace liability exposure.

These important labels are designed by CPSI instructors to meet your playspace labelling needs.

All Labels are printed on 3M Destructable Vinyl Label Material 7613T/7930T.
